Meet Jordan and Ellie (and Felipepe - out of shot).

"We met and fell in love at Glastonbury. We are going to get married." Said Jordan. "But don't tell me mum." Said Ellie.

The love struck pair are a result of the love in the room at Glastonbury this year. The rain departed, the sun came out on Saturday and love blossomed for Jordan and Ellie. They ordered and had delivered a prenuptial gift of Felipepe (who we suspect was Jordans former best friend) who sees to their every need.

Freeq last saw them heading off to Arcadia and Shangri-la for more love.....
