

Finalists announced for Lips Open Mic Contest presented by AT&T. Vote for your favorite video at [LipsOpenMic.com](http://LipsOpenMic.com).

Last month, Xbox and AT&T conducted a nationwide online talent search for aspiring artists and songwriters. Participants submitted an original song (score and lyrics) all competing for the grand prize of having their song made available and playable as a free download in "Lips", the singing game made exclusively for Xbox 360, as well as other great prizes.

The competition has been narrowed to three finalists, leaving the community with the task of determining a winner. Now through May 10th, U.S. residents make the final call by voting for their favorite song!

The three finalists are:

Jessica Mason / Play It By Ear / Lynnwood, WA  
Brendan Dane / Cycles / San Diego, CA  
Craig DelBonis / We Are Forever Girl / Providence, RI

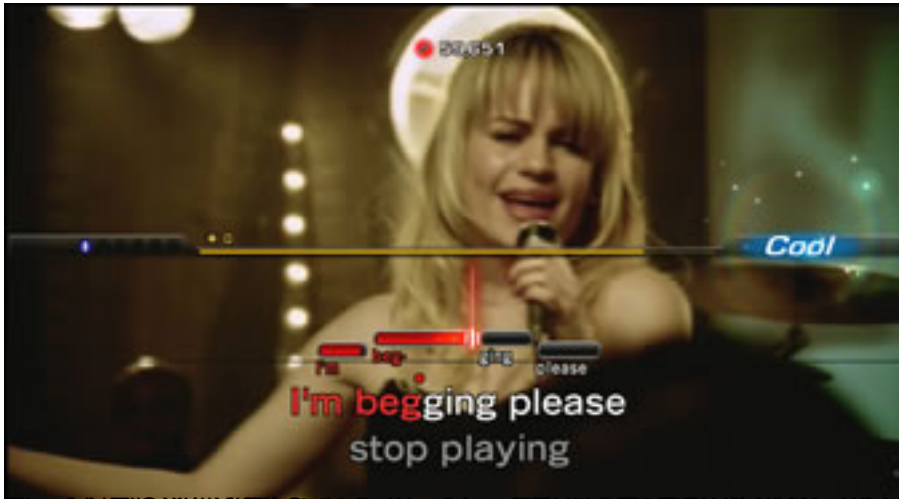

There are three ways for fans to vote for their favorite video (one vote per day, per person):

1. Xbox Live: Users click on the Lips Open Mic Contest banner ads and then downloading the unique gamer picture for their video of choice
2. Online: Visit [www.lipsopenmic.com](http://www.lipsopenmic.com)
3. Mobile: AT&T users can cast a vote with their mobile device and receive 2 votes for each text (standard text messaging charges apply)
